Social Studies Unit 4: People Long Ago Study Guide

1. History-The study of things that happened in the past.
2. Colony-A place that is ruled by another country.
3. Independence-The freedom of people to choose their own government.
4. England-The country from which the America's colonies came
5. Landmark-Something that makes a location special. (Examples would be Washington monument or the White House)
6. Settlers-One of the first people to make a home in a new place.
7. Native Americans-The first people who lived in North America.
8. Freedom-The right of people to make their own choices
9. Declaration of Independence-The paper that was written telling why the colonies should be free. We celebrate its signing on July 4 each year.
10. American Revolution-The war America fought for independence from England.
11. Hero-Someone who has done something brave or important
