

Ms. B.'s Newsletter
May 8-12, 2017

News and Notes:

- Have you noticed our garden lately? It is so pretty and growing quickly. In case you're wondering, the produce all goes to the Montgomery Area Food Bank. Feel free to look around! Signs are coming, but your child can tell you which one is our class bed. :)
- Please return all library books on Monday, May 8th!
- We will explode our volcanoes on Monday, May 8th due to the cool, windy, rainy weather on Friday.
- If you signed up for the items needed for our CELEBRATE activities/lessons, **please remember to send them on the correct day.** We need the items on the date listed on Sign-Up Genius so that we can complete the fun activity/lesson for that specific day. Each letter in the word CELEBRATE stands for a fun theme for our special lesson and activity! Thank you so much for being willing to help our class with these fun and learning-filled lessons in reading, science, etc., to end our school year!
- Just a reminder that my last day will be May 16th for surgery the following day. Mrs. Prempremot will have full access to Dojo for behavior and contact with you. You can continue to send questions or messages. Our last day of school is **Wednesday, May 24th.** This is a half day so dismissal will be at 11:00.
