

Ms. B.'s Newsletter
October 31-November 4, 2016

News and Notes:

- ❖ Keep our annual Fall Festival on your calendar! It is Thursday, November 10th. Friday, November 11th will be a professional development day for faculty and parent/teacher conferences will be this day as well. More details to follow.
- ❖ Congratulations to all who helped to making the 25% mark in our Annual Fund! Halloween costumes were fun and the children really handled wearing them well! I'm very proud of the class! :)
- ❖ The students have worked really hard on a green screen habitat project with the help of some fifth grade students. We would like to invite parents to come in to watch them on Monday, November 7th, from 1:30-2:00 in the Collaboration Corner. If you aren't able to come, I can send your child's to you. Each one only lasts about a minute.

Studies for the week:
