

## Ms. B.'s Newsletter

March 6-10, 2017

### News and Notes:

- ★ It has been another BUSY week in second grade!!!! Thanks to all of you for sending “decked out” kiddos on Dr. Seuss Day! The colors looked so cute and it was a good day. :)
- ★ Jump Rope for Heart was a huge success! WOW! Some of you worked really hard to help your children raise money for the Heart Association! The school had 100% participation and congratulations to Miss Laila for raising the highest amount in our class! Her choice for the class was to wear fun hats for the day. **We will have our hat day on Tuesday, March 7th.** Mrs. Donaldson’s class chose the same, so it will be 2nd grade hat day!
- ★ **Reading/Spelling tests will be Friday, March 10th.** We will spread our story, “Watching in the Wild,” (nonfiction on Dr. Jane Goodall), over the next 2 weeks because of SAT test.
- ★ Our SAT testing will begin NEXT Thursday! We are obviously not pumping the children up for the test this year. They usually do very well and we are trying to keep it low key this time. We still ask, however, that you be sure to get them in bed nice and early and to feed them a great, healthy breakfast each morning. Those things, along with trying to keep their morning as stress-free as possible, will really enhance their performance.

### SAT Schedule:

Thurs. March 9th- Word Study/Reading Vocabulary

Fri. March 10th-Reading Comprehension

Mon. March 13th-Math Procedures

Tues. March 14th-Math Problem Solving

Wed. March 15th-Language

Thurs. March 16th-OLSAT

**Science:** Science will be included in our story on Jane Goodall and “Me, Jane” in reading.

**Math:** Test Friday, March 10 on Lessons 108-112.

See other study notes included in email or on Weebly!

***Have a great weekend and enjoy the sunshine!***
